# ADELFIA

A clean modern versatile design suitable for any living space, Adelphia will adapt without fuss to your own creativity.

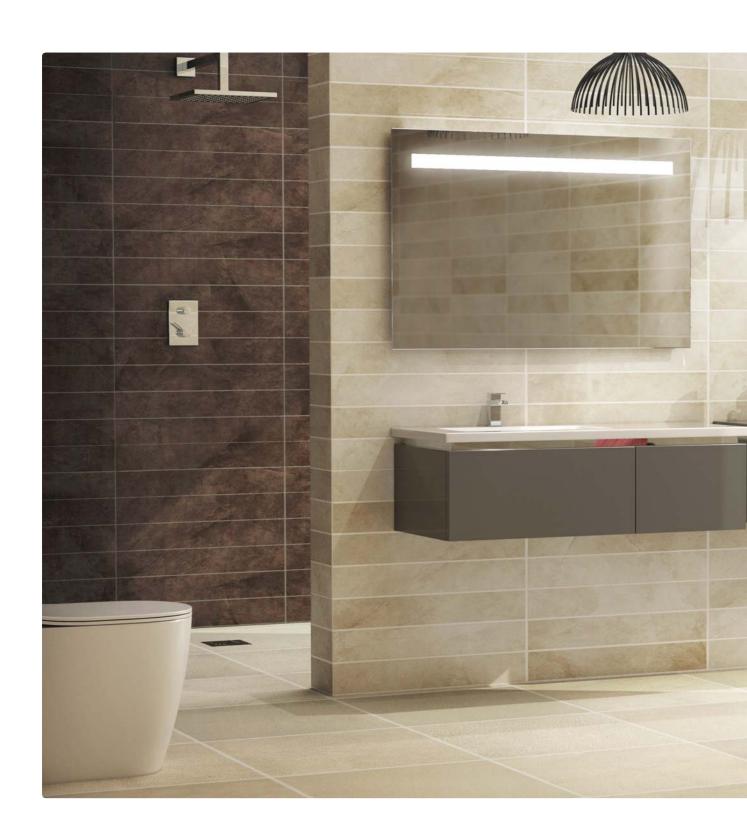

Both units feature two offset side by side drawers with smooth action soft-close runners, and with the vanity unit having a waste cut-out in the main drawer. A recessed chrome band between the basin and drawer top adds a distinctive touch.

## BARESSA

The softening effect of radiussed corners with slim glass basins, and capacious storage, all combine to present Baressa as an excellent merge of functionality and form.

The push-to-open central drawers are a feature of the 1400 unit, with the full height drawers also having internal drawers with soft-close runners. The 25mm thick carcass and fascia panels assures you of the quality in this furniture.

## LEVANTO

A bow-fronted drawer unit, complimentary left and right winged cupboards and co-ordinated glass basins can be arranged perfectly to offer a choice of four layouts. The full 3-piece Levanto combination creates a beautiful wave-fronted vanity piece which is simply stunning in either of the glass finishes.

The range features soft-close drawer runners and door hinges which add a comfortable touch to this elegant furniture.

# CALYPSO | WALL HUNG WC FRAMES

# WALL HUNG WC FRAME

# WALL HUNG WC FRAME INC. CISTERN

WC Frame	3179
385w x 325-525h x	£175.20
140d mm	

Adjustable height and width options to suit most Wall Hung WCs including 'Comfort Height' installations.

This frame is suitable for use with all Calypso WC Units and Cisterns.

WC Frame with Cistern	3178
350w x 1100-1300h x	£298.80
145-245d mm	

Adjustable height and width options to suit most Wall Hung WCs including 'Comfort Height' installations.

Flush Plate shown is not included and should be ordered separately. This frame and cistern is for installation behind a stud or feature wall and is too high for standard WC cabinetry.

# CALYPSO | COLLECTIONONE NOTES

# Important Notes

It is important when ordering and booking installations, that sufficient time is allowed between delivery and installation dates for the checking of goods and the re-delivery of any rejected or damaged items.

Should you require spare or replacement parts for these products please call our customer service department.

Stocked orders are dispatched within 72 hours from receipt of order.

All units are supplied assembled.

Prices in this brochure include VAT at 20%.

All electrical accessories must be installed in accordance with the latest IEE wiring regulations.

# **Product Notes & Specifications**

**Product Finishes** – Please note some images within the brochure are CAD generated generic images and may not reflect the unit exactly. Woodstock recommend that any questions relating to detail of the units are asked prior to ordering.

Units – All Vanity and Wall Units are supplied pre-assembled with hinges, wall hanging kit & fittings. Unit sizes given are overall dimensions including fascias.

Cast Basins (Gloss) – All cast basins are made from a mineral powder/polyester resin. The surface is protected by gelcoat which is at least 0.5mm in thickness. Clean and care for your top with a normal liquid detergent (do not use detergents containing abrasives). Buff with a good quality polish to keep your cast top in excellent condition.

Cast Basins (Matt) – All cast basins are made from a mineral powder/polyester resin. The surface is protected by a technical coating film. Clean and care for your top with a normal liquid detergent (do not use detergents containing abrasives).

# Woodstock Returns Policy

Any damaged or unwanted items must be reported within 28 days. Any items ordered and delivered in good faith but no longer required will be subject to a 25% handling and re-stocking charge.

Non-required items can only be accepted for return if:

They are returned in original packaging.

They have not been fitted in any way.

They are in re-saleable condition.

Picking or Delivery Errors & Manufacturing Defects:

Must be reported within 28 days.

Credit will be given once the goods are received back, inspected and signed off.

If collected by one of our own vehicles the driver will inspect for damages or fittings on collection. Acceptance or refusal of collection is at the discretion of the driver

If collected by carrier the items must be protected with extra packaging, the paperwork must be attached (provided by Woodstock), Woodstock will arrange the 3rd party collection

### Credit Approval or Refusal:

Once returned goods are received and inspected as per terms above, credit will either be approved or refused. If refused, a credit refusal number is assigned and a written reason given and sent by fax or email. Goods will then be held for 7 days before disposal. Any query regarding the refusal must be logged during this 7 day period.

# Maintenance of Your Calypso Products

By following some simple care and cleaning guidelines, Calypso products can be expected to give many years of pleasurable, trouble-free service.

Calypso bathroom furniture is designed to be used within domestic environments. Adequate ventilation is key. As with all timber products, bathroom furniture will be adversely affected if subject to excessive moisture on the surface or in the atmosphere. It is strongly recommended that a suitable bathroom extractor fan is installed to prevent condensation building up and to prevent damage to the furniture.

All water spills and sprays must be wiped clean and mopped dry immediately to prevent water marks or other damage.

Never use chemical or abrasive cleaners, bleach or furniture polishes on any bathroom furniture as the finish can be affected. Clean only with a soft damp cloth and a mild soap solution as necessary.

Ceramic Sanitaryware - Clean with a damp cloth and warm soapy water. Rinse with clean water and polish with a soft cloth. Avoid using cleaners that contain abrasive solvents, acid or ammonia.

Brassware - Clean with a damp cloth, rinse clean and polish with a dry cloth. Avoid using cleaners that contain abrasive solvents, acid or ammonia.

Dimensional Tolerance - Due to the nature of materials and production processes dimensions may vary within a tolerance of  $\pm$  2mm on furniture,  $\pm$  3mm on cast basins and  $\pm$  5mm on ceramic.

Colour Reproduction - Colour reproduction is as accurate as possible within the limitations of the printing process. A free sample service is provided if you are unsure about the finish on your selected product. Please call sales on 01432 367 367 to order. Also note, colours will vary under artificial light.

Woodstock Trading Company's policy is one of continual improvement and development. We therefore reserve the right to alter materials and specifications without notice.
